### **Chairman's Trophy**

*The Chairman's Trophy is based on all the smaller events not included in the main sponsored series above. It is scored on a positive points system with one point for every boat beaten plus bonus points for the top 5 positions. There is no limit on the number of events to count.*

1990 Patrick / Virginia Bird  
1991 Chris Bellingham / Bryan Mobbs  
1992 David Acres / Lee Hammond  
1993 Mark Hiley / Doug Frost  
1994 Chris Bellingham / various crews  
1995 Chris Bellingham / various crews  
1996 Alan Higgs / Charles Clapham

**N.B.** While the series results are based on the helm's results, the Laser II is a 2 person boat in which the helm and crew sail as an equal partnership. It is however a fact of life that teams change during the course of a series and this is the easiest way to keep track. Beware though that some crews are more equal than others (George Orwell)!
